

Pre-Treatment Review CPT Search Tool for Providers

The CPT Search Tool is a useful resource to quickly and easily look up medical management review requirements and recommendations. Follow the instructions below and contact Allegiance if you have any questions.

- 1 Go to [AskAllegiance.com/CPTCode/Search](https://askallegiance.com/CPTCode/Search). Enter the following:
 - Your Provider Tax ID Number
 - Patient's Group Number
 - Patient's Member ID
 - Patient's First and Last name

- 2 Enter the first CPT Code you wish to review, then click **Add**. Repeat this step, clicking **Add** for every code, until all CPT codes are added for this patient.

*CPT Codes will appear after clicking **Add**.*

- 3 Review the disclaimer, check the box to **Accept**, then click **Search**.

PLEASE NOTE: *This disclaimer is specific to every group. The information will change depending on the patient's group number.*

- 4 Scroll down to review the **Recommendation** and **Comments** for every CPT Code.

Record the noted **Confirmation Number** for every CPT Code search.

Code	Description	Recommendation	Comments	Confirmation #
4328	LAP PARAESOPHAG HERN P	Review Not Recommended	Record the confirmation number for your records.	25036102040826
22632	SPINE FUSION, EXTRA SEGM	Review Recommended	Please submit a completed Pre-treatment Spinal Questionnaire with this code.	25036220240826
G0299	Direct skilled nursing service of a registered nurse (r/n) in the home health or hospice setting, each 15 minutes	Review Recommended	Allegiance standard review process is to allow seven (7) visits before medical review is necessary. Visit and authorizations may vary by plan, please access the verification of benefits (VOB) for specific plan requirements. Please contact customer service if the plan utilizes an outside care management vendor.	25036320240826
62321	NIX INTERLAMINAR CRV/TM	Review Not Recommended	No review is necessary if member has received less than 15 injections in a rolling 12 month period. A Medical review will be recommended after this point.	25036420240826

Scroll further down the search page to review Pre-Treatment Request Forms, when applicable.
