Volunteering in the region

Are you retired, unemployed, lonely or just want to contribute something to your community? Is your group finding it difficult to attract Volunteers? Do you need someone to assist the elderly on outings, help raise funds for a cause or provide administrative secretarial support for your not-for-profit organisation?

If your answer is YES, then Volunteer Connect may be for you.

Volunteer Connect provides an opportunity for individuals to register their interests and needs, and be matched to not-for-profit organisations in the community. Many local groups and organisations rely heavily on the contribution of volunteers to operate. Organisations are also encouraged to register their volunteering needs on the Council website so that interested volunteers can be referred.

Council's Volunteer Co-ordinator can be contacted by Council Phone: 6767 5555.
